REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Claims 1-31 are deemed allowable because the cited prior art does not provide sufficient nexus for the combination of the cited references; and there is no art recognition for the combination of aspirin, magnesium and nattokinase and either niacin or nitroglycerine as active ingredients in a single composition for the same purpose without hindsight reconstruction or at best an 'obvious to try' analysis of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Applicants should further note that the drawing(s) is/are approved by the examiner.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Deborah K. Ware whose telephone number is 571-272-0924. The examiner can normally be reached on 9:30-6:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mike Wityshyn can be reached on 571-272-0926. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
